
REHEARSAL PARTICIPATION EVAL SHEET

Name:

Date:

Reflect upon your recent participation in choir. Evaluate your individual preparation and individual participation based on the individual categories below. Score yourself in each category based on the following system:

10 = Always 9 = Usually 8 = Frequently 7 = Sometimes 6 = Occasionally

Category:

Your Score:

You are on time (in your spot when the bell rings)

You have all rehearsal materials/electronic devices are in the assigned spot

You give your best effort during warm-ups immediately from the beginning of class

You give your best effort during ALL rehearsal activities (including sight-reading)

You are focused and on-task throughout the entire rehearsal

You demonstrate proper body alignment when singing

You demonstrate consistent eye contact with the director when singing and during instruction

You listen when the ensemble is being addressed by the director

You consistently make proper markings and corrections in your music without being prompted

You consistently take a low, expansive breath and work to produce an energized, vibrant, free and resonant tone

10 = Always 9 = Usually 8 = Frequently 7 = Sometimes 6 = Occasionally

Category:

Your Score:

You refrain from distracting other singers with unnecessary talking/movement about the room, etc.

You refrain from bringing gum/candy/food into the room

You maintain a positive and open-minded attitude towards all rehearsal activities

You review rehearsal material and address problem spots prior to the next rehearsal

You practice music outside of rehearsal on a consistent basis

TOTAL (OUT OF 150):

Should you and your director view your participation differently, there will be a follow-up discussion to make sure that you are set up to be successful going forward!
