

Concert Programming Assignment

Name:

Using choral music websites for JW Pepper, Santa Barbara Music Publishing and Graphite Publishing, you will create a program of six pieces of choral music based on the following criteria:

- 1-The choir is an SATB ensemble.
- 2-The choir is an ensemble that is somewhat inexperienced, which should be reflected in the difficulty level of the music selected.
- 3-Of the six pieces, at least two of them should be in English, and at least two of them should be in a foreign language.
- 4-Of the six pieces, no more than two may be a cappella. The other four should contain some sort of accompaniment.
- 5-The music selected should include music from the following time periods:
 - At least one piece should be from the Renaissance or Baroque periods
 - At least one piece should be from the Classical or Romantic periods
 - The other four pieces may be from any time period, but at least two should be from between 1930-present.
- 6-Of the six pieces selected, at least two should be composed by people of color.
- 7-Of the six pieces selected, at least two should be composed by women.
- 8-There should be a wide variety of themes and musical styles amongst the six pieces that are selected.
