

Choir End of the Year Reflection

Name:

Date:

What were your favorite things about being in choir?

In what areas of choir do you feel like you improved the most over your time here? What were some of the things we did in choir that you found helpful?

What do you wish you would have done differently, or done more of, while in choir?

What additions/changes do you think we should make to make choir an even more valuable experience?

Anything else I should know about your experience in our choir department?
