Date:

Discuss our performances of each piece from the Spring Concert, as well as the process of learning each piece. Your discussion might include: What was it like to work on the piece? What did you like about it? What did you find interesting? What were the challenges of performing the piece? What did you learn through the rehearsal process? How did you improve as a singer?

What did you enjoy about our performances? (Your discussion should include at least 3 positive comments about each of our performances) Consider the journey of learning/performing a piece: did our performances turn out how you initially thought they would?

Discuss what your goals were as a choir member at the beginning of the year. What did you do over the course of the year to achieve those goals? Do you feel like you were successful? Why, or why not?

Moving forward, what will be your goals as a choir member for next year? What aspects of vocal technique will you focus on, and what will be your focus in regards to ensemble skills? What will you do to achieve those goals? BE SPECIFIC!
